Wine Advocate

2012 La Serenne, Syrah

"It boasts an incredibly inky purple color to go with notions of crème de cassis, damp earth, graphite, smoke, and licorice that flow to a full bodied, voluptuously textured profile on the palate. Despite all the richness, it stays thrillingly focused and shows the purity and elegance of the site." - *Jeb Dunnuck, Wine Advocate*

Stephen Tanzer's International Wine Cellar- 93 Points
